

# Autism

the world from a different perspective

© 2007-2008 Little One Center, Inc. All rights reserved.

One in every 88 children is diagnosed with an Autism Spectrum Disorder (ASD). What is ASD? What causes it? Why do children with ASD behave the way they do? How can I help children with ASD to participate in my child care setting more successfully? Come learn the answers to these and other questions.

**WHEN:** October 15th, 2013 (6:00-8:00 PM)

**WHERE:** North Utica Community Center

50 Riverside Drive, Utica

## PRESENTED BY:

Mary Warren, a licensed occupational therapist, and Mardie Ninno, a special education teacher. Both Mary and Mardie work at the Margaret L. Williams Developmental Evaluation Center in Syracuse, and each of them bring over 35 years of experience working with young children with special needs.
