

SUPAC PRESENTS

Parent Involvement

Research shows that when parents are involved in their children's education there is a significant improvement in many areas including: grades, attendance and behavior.

This workshop discusses the importance of parent involvement in their child's education and explores different areas of parent involvement.

ANY UPDATED
INFORMATION.**

SUPAC is funded through a contract with the New York State Education Department (NYSED) Office of Special Education and seeks to empower parents to become meaningfully involved in their children's education through school, family, and community partnerships. SUPAC is a project of the Center on Human Policy and is located on the Syracuse University campus.
