

Living Gift Market

*Change the World this Holiday Season...
Visit us instead of the Mall*

Have the opportunity to “purchase” animals like pigs, chickens and goats as an alternative to commercial gifts. The sponsored animals help hungry families around the world through Heifer International, and sponsors receive beautiful gift cards to note their purchases. So forget another sweater for your Mom... Help change the U.S. and the world!

the gift that grows

*What if the gift you gave grew? And one gift grew into two?
Needs could be erased and poverty replaced
With the possibilities that are born of a gift from you.*
