

UPCOMING TRAININGS FOR CHILD CARE PROVIDERS

HOW TO REGISTER:

Visit <http://bit.ly/1B794D1>
or contact Richelle Singer at
(315) 223-7850 x 226

Pre-registration is required for all listed trainings on this flyer.

All trainings must have a minimum of 5 registrants in order for the class to run.

All trainings are held at the Child Care Council Office unless otherwise noted.

About the Child Care Council

(888) 814-KIDS
121 Second St
Oriskany, NY 13424

The Child Care Council is a resource & referral education program of Cornell Cooperative Extension dedicated to promoting quality, accessible child care for our community. Our services include providing free referrals to NYS Regulated Child Care, Training and Technical Assistance for Child Care Programs and

CPR & First Aid

FREE (\$10 registration deposit required)

- May 16th from 9am to 4:30pm
- September 19th from 9am to 4:30pm
- October 24th from 9am to 4:30pm

This 7 hour Pediatric First Aid and CPR training program, designed for Day Care providers, allows the instructor and student to become active participants in the teaching and learning of Pediatric First Aid and CPR by making full use of today's technology. This training program meets the State of New York's first aid requirements for Day Care providers while covering the basics from breathing and cardiac emergencies in infants and children and adults but also bridges the gap between traditional adult first aid and the special needs for infants and children. The National Safety Council's program has been written specifically for child care providers.

Eco Healthy Child Care

\$20

- April 21st from 6pm to 8pm

Research increasingly shows that the first years of a child's life are critical to shaping their future health and development. As a child care provider, small changes you make can have a big impact on the children in your care. By reducing toxins, you help prevent illnesses like asthma, certain learning disabilities and even some forms of cancer. The Eco-Healthy Child Care Checklist is available online at <http://bit.ly/1EmY62c> - Answering at 24 or more of these questions as 'true' qualifies you as an Eco-Healthy Child Care! Can't answer 24 as 'true'? Come to our Eco-Healthy Child Care workshop.

Darkness 2 Light

\$25

- May 27th from 6pm to 8:30pm

Brought to you by the Oneida Family YMCA, Stewards of Children is being held as a 2 1/2 hour training designed to educate adults on how to recognize, prevent and react responsibly to the reality of child sexual abuse and to emphasize child safety as every adult's responsibility. Our goal is simple: to educate and prepare our community to deal with and prevent child sexual abuse. The training teaches the steps to preventing abuse, recognizing the warning signs and reacting responsibly when abuse occurs.

*Cost of registration includes course materials, 2 hours of OCFS topic area 6, book and dinner (pizza and refreshments).

Parent Involvement

Presented by SUPAC
FREE

- April 28th from
6pm to 7:30pm

Research shows that when parents are involved in their children's education there is a significant improvement in many areas including: grades, attendance and behavior. This workshop discusses the importance of parent involvement in their child's education and explores different areas of parent involvement. Presented by the Syracuse University Parent Advocacy Center.

Eco Healthy Environments for Children

\$10

- May 7th from
6:30pm to 8pm

Research increasingly shows that the first years of a child's life are critical to shaping their future health and development. By reducing toxins, you help prevent illnesses like asthma, certain learning disabilities and even some forms of cancer. If you want to learn more about creating eco-healthy environments for children, but do not have a child care program, this workshop is for you!
